

Tax & Financial Group Helps Local Families Celebrate the Holidays

At the end of December 2020, Tax & Financial Group (TFG) wrapped up the holiday season by participating in the Families Forward Adopt-a-Family Holiday Gift Program. Families Forward is an Irvine based organization that exists to help families in need achieve and maintain self-sufficiency through housing, food, counseling, education and other support services. The holiday season is the busiest time of year for volunteering at Families Forward. Each year, over 800 families are adopted through their Adopt-a-Family program, bringing joy to more than 2,200 children with special gifts for the holidays.

With 2020 being a difficult year for the community, TFG wanted to give back to three local families. TFG was fortunate to be able to shop for each family which included multiple children from toddlers to teenagers. Several associates of the office contributed to the holiday shopping efforts through finding items from each families wish list which included toys, clothing, groceries, and other items. At the same time, other members of the firm sent warm holiday greetings through a group card provided to the families.

TFG associates felt grateful to take part in sharing the holidays with the community.
